## Welcome to our School

### A warm welcome to Macdonald Valley Public School

Welcome to Macdonald Valley Public School, one of the smallest schools in the Western Sydney Region of the NSW Department of Education and Training, our school is in a rural area, seven kilometres from the township of St. Albans.

Macdonald Valley is one of the oldest government schools in New South Wales, established in 1845 and has celebrated more than one hundred and seventy five years of public education. Initially established on the river bank, the school now operates in a higher location, and has extensive grounds with large grassed playing areas, basketball court, cricket nets, long jump pit and play equipment, as well as varied countryside with areas of natural bush, wetlands, rainforests, timber plantations, cultivated fields and rugged mountains, providing ideal opportunities for environmental study.

The local community includes farmers, craftsmen, artists, musicians and a variety of other professions which offer a culturally diverse parents and friends group. There is a supportive interaction between the school and its community which provides a rich source of input for school programs. The school is extremely well resourced with sport, music and craft equipment, technology, books, furniture, and materials, offering a unique blend of the old and the new.

We are proud of our past and enthusiastic about our future, embracing the timeless credo that character builds destiny. Ours is a family-oriented school in which staff, students, and parents work together to maximise opportunities and potential. Our aim is to give students self-belief and values that will lead to high levels of competence in key learning areas and to lives well lived.

### A member of a cohesive learning community

Macdonald Valley Public School is a member of the MWAC Learning Community consisting of Macdonald Valley Public School, Wisemans Ferry Public School, and Cattai Public

School, a group of small schools committed to working together to provide the best possible education for all students.

### Strong links with the community

Macdonald Valley Public School has fostered strong links with the local community through its P&C. Students also assist in Gold Coin collections, cooking and creating for various stalls at the St Albans Village Markets.

### Keeping parents informed

School communications are varied and easily accessible. We publish a newsletter emailed to parents/caregivers every week. Hard copies of the newsletter are available from the Admin Office upon request and the newsletter is also always available on our school website and through the School Bytes App. The Macdonald Valley Public School newsletter provides the latest news/events and community announcements.

Our School Loop App gives our school the capacity to create and send instant push alerts to our school community keeping parents/caregivers well informed of important messages from our school. Additionally parents can give consent, sign forms and respond to attendance alerts in the School Bytes. Parents can download the "School Bytes" app from the app store or google play and subscribe to receive email alerts.

Macdonald Valley Public School also has an official social media presence within the popular social networking site Facebook.

Direct contact from staff, regular Parent-Teacher evenings, the school noticeboard and our regularly updated website provide parents with the most up-to-date information regarding their child or our school.

### P&C meetings

We are supported by a highly active parent community. We value our strong links with parents, local businesses and organisations. P&C meetings are held once a term with advice given via email and the school newsletter.

The P&C work in partnership with our teachers to ensure quality education and welfare outcomes for our students. All parents are invited to attend.

### We would like to hear from you

Thank you for taking an interest in Macdonald Valley Public School. We value your comments and are happy to assist with any enquiries about the school or your child.

## School Facilities

### Extensive grounds in a beautiful rural setting

Macdonald Valley Public School has extensive grounds with large grassed playing areas, basketball court, cricket nets, long jump pit and play equipment as well as varied countryside with areas of natural bush, wetlands, rainforests, timber plantations, cultivated fields and rugged mountains, providing ideal opportunities for environmental study. Unique features are our native and vegetable gardens designed to improve the biodiversity of our school, and even a frog pond.

### Air Conditioning

All learning spaces are air conditioned to maximise learning in extreme weather conditions.

### Music

We have a large musical instrument collection so all students can be actively involved in Music lessons. We have recently added to our collection with a variety of instruments funded by our P&C.

### Technology

Students have access to a range of computers, laptops and Ipads and both our classroom and Library is set up with the latest interactive Smart Panels.

### High teacher to student ratio

At Macdonald Valley Public School we offer a high teacher to student ratio, allowing for personalised learning and high levels of support.

Through effective use of assessment, learning is individualised to meet all student's needs. The school environment is supportive and encouraging, allowing students to be appropriately challenged. Students participate and succeed in local, state and national events and competitions.

We have staff who deliver specialised lessons in music, French, drama, art and various sports. This extends the students' experience and knowledge in a way that is unique in a primary school.

Our NAPLAN and Department of Education Check-in results are consistently high and reflect the benefits of our approach to individualised, relevant, targeted instruction for all of our students.

We are proud of the academic program we offer as well as our ability to meet the needs of the whole child.

## Bell Times

9:15am-10:20am	Morning Session
10:20am-10:45am	Recess
10:45am-1:00pm	Mid Session
1:00pm-1:45pm	Lunch
1:45pm-3:15pm	Afternoon Session
3:15pm-3:30pm	Afternoon Bus

## Transport to and from School

A private bus is available each morning and afternoon to transport students to and from Macdonald Valley Public School from the local area. A Bus Timetable is available from the Administration Office

To organise transport on this private bus for your child/ren please phone:

**Kaye Szwanefeld: 4568 2005/0418 975 298**

## Publications of photos

Macdonald Valley Public School publishes photographs of students via its school Newsletter, on its website, school brochure, through its prospectus and from time to time in advertisements, newspaper articles and its social media sites. Parents/caregivers are requested to advise the school in writing if they **do not consent** to have a photographic image of their child published. Names of students may appear with an accompanying photographic image. Should the names of individual students be published on the Website or social media sites only first names will be used, with the exception of outstanding individual achievements. If we do not receive any notification from parents via the Admin Office, the school will assume that you agree to these conditions.

**1 day at the beginning of Terms 3 & 4**

**ALL STUDENTS will commence school for 2025 on**  
**Thursday 6th February 2025**

## Parent & Community participation

### P&C Association

The education of your child and the ongoing improvement of conditions within the school are assisted greatly by the efforts of the P&C. Your support will guarantee continued improvement.

Meetings are held once a school term with advice given via email and newsletter notices. All parents are warmly invited to attend.

Parents are actively involved in fundraising and consulted on matters of school policy.

Parents are represented on the school's uniform committee, staff selection committees and enrolment placement committees and other committees, as required.

## MACDONALD VALLEY PUBLIC SCHOOL P&C COMMITTEE

<b>President:</b>	Emily Streckfuss
<b>Vice President:</b>	Susan Walker & Ieva Aboltins
<b>Secretary:</b>	Fiona Kelly
<b>Treasurer:</b>	Tanya O'Neill
<b>Uniform Coordinator:</b>	Ieva Aboltins

## Uniform

Our school uniform is strongly supported by parents, students and staff.

shows a sense of commitment to our school community.

We believe the uniform fosters a sense of belonging and pride in our school amongst the students and

The school can assist families in need with uniform requirements.

## School Organisation, Services and Routines

### Accidents on school premises, excursions, school activities or sport

The school has a number of staff qualified in First Aid. They will treat minor cuts, abrasions and assess the needs of each child prior to calling parents. Parents are requested to ensure that an emergency contact number and the name of their child's General Practitioner is provided on enrolment and updated during the course of a student's time at the school. A mobile number for instant contact is appreciated. Parents are requested to ensure any vital medical information is updated with the school, e.g. allergies, diabetes, prescription drugs to be regularly taken.

### Ambulance

The school pays a subscription to the NSW Ambulance Service. This allows free ambulance travel for students who meet with an accident at school, on a school excursion, or participating in a school sport event. If you inadvertently receive an account for such an ambulance service, please forward it to the school. Office Staff will notify parents when their child is taken to hospital or a casualty department as soon as practicable.

### Attendance and monitoring

Parents are reminded of the following:

- ◇ School attendance is **compulsory** until a student reaches the age of 17 years.
- ◇ Parents must provide documentation to the school for all their child's absences.
- ◇ Parents who are **aware** that their children are going to be **absent from school** are asked to phone Macdonald Valley Public School Office staff on 4568 2120 **prior** to the start of the school day to inform the office of their child's absence.
- ◇ Parents who do not inform the school of their child's absence on a particular day will receive a phone call from the School Admin manager.
- ◇ Students who are absent from school for three days or more will need a doctors certificate provided on the day that they return to explain these absences.

### Community use of school facilities

The schools facilities are available to be used for community events by prior arrangement. Enquiries regarding the use of Macdonald Valley Public School facilities should be directed to our Administration office during school hours.

### Early Leavers/Late Arrivals

All students must be signed in and out off school by their Parents/Carers through the Administration office.

### Evacuation Procedure

The school has its own evacuation procedures in the event of fire, flood or other critical incident. A long evacuation siren will be heard, students with their teacher will evacuate the building as quickly and calmly as possible and assemble on the silver seats.

### Lost Property

Items of lost property can be claimed from the office. To minimise loss, all items of clothing should be labelled. Do not bring valuable items to school.

### Medication

Students who need medication administered either by mouth or injection at school **must** notify the office via parental contact and delivered to school by a parent. A medication form will be issued and must be signed by the parent/guardian. All medications are securely stored in the Administration building.

### School Counsellor

The School Counsellor is here once a term to help anyone who may be having difficulties either at home, at school, or with other students. Parents may wish to make individual contact with the counsellors.

## School Organisation, Services and Routines (Continued)

### Home & School Communication

#### Appointments

Parents and caregivers are encouraged to call and make appointments for meetings with staff to ensure staff availability and relevant information is readily at hand.

**School hours: 9:15am to 3:15pm every day.**

#### Communicating with our Parents

Direct contact from staff, regular Parent-Teacher evenings, and the school noticeboard are all utilised to provide parents with the most up-to-date information regarding their child or our school.

#### Newsletter

Macdonald Valley Public School distributes a newsletter each week via email to all parents who have provided an email address to the Front Office or via their enrolment form. Paper copies are available from the Front Office upon request and the newsletter is also always available on our school website and school app. The Macdonald Valley Public School newsletter provides the latest news and events and community announcements.

#### Parents and Citizens' Association (P&C)

Our Parents and Citizens' Association meetings are held once a term at a time advised through email and our school newsletter. Parents are warmly invited to attend.

#### Social Media Sites

Macdonald Valley Public School has an official social media presence across the popular social networking site Facebook. The purpose of this space is to inform parents and the school community about events and student achievements. This online space is maintained by the staff of Macdonald Valley Public School. Check us out:

[Macdonald Valley Public School Facebook page](#)

Students and parents should be aware of the DET policy "Online Communication Services: Acceptable Usage for School Students" when interacting on these official school social media sites.

#### School Apps - Skool Loop, School Bytes & Seesaw

Parents/Caregivers are able to download our School Loop app. This app has given the school the capacity to create and send instant push alerts to our school community keeping them well informed of important messages from our school. The School Bytes app provides parents with immediate access to newsletters, permission consent

notes and calendar events as well as absence information. Parents, teachers and students are also connected through the Seesaw App. This app allows parents to receive notifications and photos showcasing the work that the children are participating in, in real time. When on excursions, parents are sent photos showing what their child is doing, they are then able to post a comment back. In class they see what the learning is, which helps them talk to their child about their day. This lovely three-way communication means that parents are always on top of what is happening at school and can feel a part of the learning. You can download the School Bytes, Skool Loop and Seesaw apps via the Apps Store or Google Play. Parents will be provided a code to access information pertaining to their child on Seesaw next year after their child commences at our school.

#### Up-to-date contact details

In the school Office we maintain contact details for each student so that we have names and phone numbers of people to contact if the student is sick or has an accident. It is important that the school be advised immediately of change of address, phone numbers etc so that we can get in touch in case of sickness or any emergency.

#### Visitors

All visitors to the school are asked to report to the Office where they will be asked to sign-in. When you depart the school, please return to the office and sign-out.

#### Website

We have a wonderful website to which our newsletter, calendar and latest news is updated on a regular basis. Additionally much more information regarding our school organisation and achievements can be found here. Look us up at:

<https://macdonaldv-p.schools.nsw.gov.au/>

A small school with BIG aspirations!
